Halek Cain's journey has only just begun. In search of answers to both his past and his future, Hal and his newly formed crew must overcome obstacles unlike anything they've ever seen. Hal needs repairs, and there's only so many places a Reaper can find them. Far across known space, hidden inside an uncharted slip tunnel, a hidden Reaper facility may hold the answers Hal needs. But the Union would rather the dead stay buried...and they'll kill to keep their secrets.
