Original scary stories delivered as a fully immersive theatrical experience. From your speakers, straight into your psyche. Our tales are guaranteed to terrify the bravest of souls (even the dead ones). Curated and written by Trevor and Lauren Shand (Boo Crew Podcast). Krsy Fox (Filmmaker/Musician FRANK, I Live Alone, Knee High Fox) and Spider One (Powerman 5000). Select episodes will feature horror celebrities such as Bonnie Aarons (The Conjuring 2, The Nun), Adam Busch (Buffy The Vampire Slayer) as guest readers. We dare you to listen!
