Blizzards are an irresistible force of nature. This audiobook of history and science brings to life personal stories of survival and heroism. Opening with the tale of the Blizzards of 1888, which took the northeastern U.S. completely by surprise, this audiobook's chilling excitement will hold listeners till the end.

Blizzards is part of the Natural Disasters non-fiction series that will engage listeners of all ages, including English Language Learners. Nature unleashes its forces without regard to people or property. Blizzards, earthquakes, hurricanes and floods, tornadoes, and wildfires are all featured in this nonfiction series that also relates tales of survival and heroism, with a bit of the science behind these natural phenomena.
