With her death foretold, Althea Zoltaire only has three years to become what she's always dreamed of being: a warrior legend. Women are forbidden to wield blades, so she has trained in secret her entire life. Now racing against the clock, she fights to secure her place in the elite guild charged with the protection of the five kingdoms.

The sparring and hazing of the new trainees border on deadly, but even more dangerous is her growing attraction to Wilder Hawthorne, her unwilling warrior chaperone. All around them, schemes are afoot and darkness looms.

Will Althea pass the perilous initiation test and take her place as a champion of Thezmarr—or will the invading evil snatch away her dream before it starts?

Blood & Steel is the gripping first book in the heart-pounding, epic romantic fantasy series, The Legends of Thezmarr.
