Corina has scoured the city for the man, or maybe the monster, that she knows has taken her friend, Gina. She catches up to him or, rather, he catches up to her and she finds out soon enough the allure of his power, his strength, and his lust. Before she can react, the vampire's hands have torn away her clothing, her resistance, and any desire to stop him.

Warning: This audiobook contains graphic depictions of sexuality including oral sex, deepthroat, reluctant sex, and very rough sex. It is intended for mature readers who will not be offended by explicit descriptions of sexual activity between adults.
