author	E. E. King
readBy	Emily Emerson
inLanguage	english

*Penny Dreadful* meets *American Gods*

A literary, romantic, horror story that traverses time and place, *Blood Prism* lures you into an alternate San Francisco inhabited by old gods, a very special crow, gold rush madams, sinister orchids, vampires, werewolves, and Indian legends and ghosts.

By E. E. King, best-selling author of *Dirk Quigby's Guide to the Afterlife*

“Marvelously inventive, wildly funny, and deeply thought-provoking. I cannot recommend King's stories highly enough.”

(Ray Bradbury)
