A gruesome tradition, a blood-spattered crime scene, and a killer hiding in plain sight.

Detective Harry Grimm is a worried man. When a group of vigilante locals start patrolling the Dales in response to a recent spate of crimes, he is forced to warn them off. Things only get more complicated when he is called out to multiple crime scenes—each with plenty of blood but no bodies.

Very soon, though, body parts start turning up. Delivered in a way that echoes a local poem and an old-but-grisly village ceremony. Faced with the bloody evidence in front of him, Grimm soon realizes that his worst fears have come true: someone has already taken the law into their own hands.

With an ancient tradition being used to commit modern-day murder, can this battle-scarred detective stop the lanes of the Dales running red with blood?

Blood Trail is the tenth book in the riveting Harry Grimm police procedural series. If you like compelling characters, twisting plots, and beautiful British countryside settings, then you'll love David J. Gatward's nail-biting mystery.

Blood Trail is the tenth book in the DCI Harry Grimm crime thriller series, set in the Yorkshire Dales. Perfect for fans of L. J. Ross, J. D. Kirk, Adam Croft, Simon McCleave, Alex Smith, J. M. Dalgliesh, J. E. Mayhew, and J. R. Ellis.
