Miley Fuller has life all mapped out. But when the first day of senior year rolls around and not everyone has forgotten her betrayal, Miley knows it's going to take a lot more than "I'm sorry" to fix things.

Avery Chase has his sights set on football. But the star quarterback is about to find himself working with the one girl he resents more than anything.

It starts with a shaky truce. Unite forces to repair the damage caused by Miley's exposé on the team and help her finish her college application.

He's everything she despises.

She's everything he's supposed to hate.

Only they both have too much riding on their senior year to quit.

But the problem with faking it is...sometimes it becomes real.
