Boink messed up huge, and the Fallen Lords MC is not happy. Now it's his chance to redeem himself by protecting the same woman who had distracted him that day.

Mayra needs a safe place to land, and the Fallen Lords Clubhouse is perfect until her past comes back with a vengeance. Boink is the only one who will save her, but even he doesn't seem to like her much.

Boink is on a mission now. There's no way in hell he will fail to protect what's his. Whatever's coming for Mayra will have to go through him first.

Contains mature themes.
