2026-07

## Synopsis

---

author	Carolyn Haines
readBy	Kate Forbes
inLanguage	english

Mississippi native Carolyn Haines writes spicy mysteries teeming with all the eccentricities of Southern society. *Bones to Pick* continues the adventures of sassy P.I. Sarah Booth Delaney. Quentin McGee, author of a sensational exposé, has been murdered, and her lover, Allison, is charged with the crime. Sarah is hired to find the real culprit, but the investigation won't be easy. Quentin had so many enemies, including her own family and all those rich, powerful people mentioned in her book. As scandal brews, the suspect list continues to grow, and Sarah fears that the killer isn't finished yet.

Haines' Southern Belle mystery, together with a spirited narration, draws listeners into the heart of the Mississippi Delta.
