## Synopsis

---

author	Cooper Davis
readBy	Brock Thompson
inLanguage	english

The mind may forget, but the heart remembers! A Forces of Nature novel.

As Hayden and Josh journey through rituals - and intimacies - that will knit their souls for life, passion and anger flares, revealing a powerful secret. In a different world, they might have been friends. Now, face to face after five years, the bitterness in Hayden's eyes fills Josh with regret for what could have been - should have been.

As Hayden and Josh journey through rituals - and intimacies - that will knit their souls for life, passion and anger flares, revealing a powerful secret. The truth about a long-ago sharing of hearts, bodies and souls that ended in tragedy.
