<p>Trent Faulkner was happy working with his hands to build custom furniture. He had made a name for himself and his design company. Love wasnâ€™t even on his radar. Then one client broke down his barriers, only to make him leave in the morning. Trent made a resolution to forget about her, but that was hard to do when she was everywhere he looked, including in his heart.</p> <p>Skye Jessamine might be Americaâ€™s newest sweetheart, but sheâ€™s really just a small town girl who had been broken down by everyone around her so that they could mold her and her career into superstardom. Then a chance meeting with Trent Faulkner gave her a glimmer of happiness before it was ripped away from her. Skyeâ€™s willing to fight for love, but thatâ€™s not the only fight she has coming when she finally tries to break free of the spotlight.</p> <p>Skye can think of only one man to put her trust in when her life is in danger. They say love is worth fighting for and now Trent will do just that. Trent and Skye fight for their lives as they try to make it through the shadows hiding behind Hollywoodâ€™s bright lights. But are they prepared for what comes when those lights hit Shadows Landing?</p>
