What happens when a single mother is forced to live with a grumpy, ailing football star? The smolder turns red hot.

Amanda Shaw has pulled it together. It's taken a couple of years, a boatload of hard work, and a ton of self-discipline, but she finally has her problems in a headlock. Her yoga studio in the city has become so successful she's opening one near the beach, and her relationship with her ten-year-old son is improving every day. The last thing she needs is a monkey wrench thrown into her smoothly running life.

Grant Hendricks is one big monkey wrench. The four-time Defensive Player of the Year, three-time NFL sack leader, and all-around football god has officially hit rock bottom. A devastating back injury means he may have to retire and that scares him more than doctors telling him the next hit could leave him paralyzed. All he needs is a quiet place to think and his teammate's beach house sounds like just the place. Problem is, the woman already living there.
