Synopsis

authoriř	Cynthia Sharon
readByiř	Carista Andresen
inLanguageiř	english

Caught in the pantry with Arrow. This is the most embarrassing moment of my entire life. This cannot be happening to me. I just can't stop thinking about how close we came to.... In the pantry? With my own stepbrother? What was I thinking? I can't wait for my fianc  to go out of town. Maybe then Stone can finally hit my bullseye.
