Mia Shepherd thought everything was finally falling into place—great job, handsome boyfriend, and a new home in Connecticut. Sadly, just weeks after making her move, Mia's life is turned upside down.

She's pregnant, and her boyfriend wants nothing to do with her or their baby.

Brock Benson thought he met the woman of his dreams when Mia moved in next door to him. That is, until Mia introduces him to her boyfriend. With her being tied to another man—even one that's not good enough for her—Brock keeps himself at a distance.

As the months tick by, it becomes clear Mia is pregnant. Brock is neighborly, stepping up to help when Mia needs it.

Then her ex returns, bringing trouble Mia does not need in her life.

That's when Brock steps in. It might not be his burden to bear, but Brock has fallen hopelessly in love with Mia. And he'll do anything for her and her baby.
