Book four of the *USA Today* best-selling Carly Moore series.

Be careful where you dig....

Life in Drum, Tennessee has been quiet since corruption was uncovered in the sheriff's department three months ago - too quiet. Still, Carly is shocked when she discovers one of her sweetest lunch customers at the tavern has committed murder in cold blood.

Carly is certain the woman was fulfilling an infamous "favor" for the town patriarch, Bart Drummond, but now she has to prove it. She already knew that Drum has two sides - the side they show the world, and the seedy underbelly. Only in Drum, all things seedy lead back to two men - Bart Drummond and the local drug king, Todd Bingham.

The deeper Carly gets, the more she begins to question everything, even her desire to have her own family. But even if she could forget Bart's threat is hanging over her head, she can't forget that her father is still searching for her, ready to drag her back to her own death. She needs to uncover the truth, but everything is buried in secrets.
