

Buzz Beaker and the Cool Caps

author: Cari Meister, Bill McGuire

2026-08

Synopsis

author	Cari Meister, Bill McGuire
readBy	anonymous
inLanguage	english

It's a hot, hot day, and the air conditioner is broken at Buzz's house. Dr. Beaker, who is trying to fix the air conditioner, is so hot that he can't think straight. But Buzz comes to the rescue. His latest invention, cool caps, will have cool off everyone in town in no time.
