These tough football players are looking for one thing ... a feisty woman who can bring them to their knees. **The Loyal Patriot:** A recovering superstar finds the woman who can heal him, but a tragedy might pull them apart forever. Hyde Metcalf, wide receiver for the Georgia Patriots, is recovering from pneumonia and needs the best personal trainer in Colorado to get him in shape for the season. With his dad missing again and his mom fighting Alzheimer's, it's crucial that he stays close to home. Lily Udy idolizes Hyde Metcalf and the Georgia Patriots. Her dream is to one day become a team trainer. When Hyde walks into the gym where Lily works and her boss gives her the opportunity to train him, it's more than a dream come true. Hyde thinks he may have found the perfect trainer and maybe more with Lily, until another man stakes a claim on her. Just when Hyde thinks the situation can't get any worse, the media, Hyde's mom, and a horrible accident come between him and Lily. Will Hyde and Lily be able to overcome the insurmountable obstacles, or will happily-ever-after be a pass that neither of them can jump high enough to reach? **The Gentle Patriot:** It was love at first glance for Mack Quinn, but Sariah Udy has scars that not even this gentle giant can heal. Sariah Udy has been staring at, and falling in love with, Mack Quinn every game of the Patriots' winning season, but she knows she could never date someone perfect like him. Sariah has deformities and heartache that she covers with her long hair and lots of humor. When Mack pursues her across the country, can she trust him with her heart, and her sad past? Mack Quinn knows Sariah Udy is the woman for him. When his efforts to connect with her fail, he has to decide how far he's willing to go to pursue a woman who won't allow him into her life. **The Stranded Patriot** A football hero, a marketing genius with a purpose, and the tropical island that will either make or break them. Ally Heathrow, head of marketing for the Georgia Patriots, has one goal: talk the enigmatic Preston Steele into being her poster child for

a social media blast that will not only sell out the stadium, but help those who are suffering as well. She lures Preston into a deserted garden to explain her idea when they're kidnapped. Preston's instinct is to protect her from the natural elements of the island and the dangerous captors threatening their lives, but an entirely different question comes into play: who will protect Ally's heart from the lures of Preston Steele? The Pursued Patriot A witty chef and an irresistible football player. If she pursues him, will she be framed as his stalker? Shar Heathrow has idolized and fantasized about superstar Mike Kohler since college. When he shows up at her restaurant on Hilton Head Island, she flips out, and instead of convincing him to date her, she somehow manages to convince him that she's his long-time stalker. Mike Kohler thinks Shar Heathrow is hilarious, beautiful, and possibly disturbed. When he finds her yelling a pep talk to the dumpster behind her restaurant, he tries to cautiously back away but he can't seem to help flirting with her and laughing at her funny antics. When Shar finally thinks Mike is interested in her, the stalker strikes and sends them both into protective custody. Will this be their chance to connect or is the danger only beginning?
