Holding her lovely head high, Wyoming schoolmistress Caroline Chalmers did what no lady should: She marched right into the local saloon to see the dashing and reckless Guthrie Hayes. Worse still, she went to ask him for help. She needed the former Confederate raider to plan a jailbreak to rescue her fianc , Seaton Flynn, from the hangman's noose. An orphan by spinster sisters, Caroline was prepared do almost anything to save her beloved Seaton. So why did her breath suddenly become a shivery sigh when she looked into Hayes' twinkling green eyes?

Too late Caroline knew how perilous her request really was, for this strong and daring ex-soldier would refuse her nothing no matter how dangerous...but first he intended to teach her everything about the power of a man's love, beginning with a shameless odyssey to ecstasy in his arms....
