Scotland is some country. Beautiful, historic and with a tradition all of its own. A bit part of that history and tradition are the many magnificent castles which can be found throughout Scotland attracting visitors from all over the world. No visit is complete unless the traveller sees some of these castles. I am no exception - I love Scotland. So I have put together this book to give you an introduction to 20 of my favourite Scottish castles.

All the top castles are included - a few are listed below though twenty are included in my audiobook. The truly magnificent Edinburgh Castle high above the city watching over it. The Royal connection at Balmoral and many more. Whether you are planning on a visit to Scotland or just have an interest in Scottish history then you should enjoy *Castles in Scotland: A Travellers' Guide*.
