This is the follow-up to my popular Castles in Scotland book. Twenty more top Scottish castles for you to hear about in this audio book.

I love Scotland. A beautiful, scenic country with much to recommend it to the tourist. And the history is a big part of that. And a huge contribution to the history of Scotland are the many magnificent castles throughout the land. I'm interested in both (history and castles) so what better way to illustrate that than a book about castles in Scotland. I've already written one which is available on Kindle and now here is Volume II for your enjoyment.

A few of the featured castles are listed below though 20 are included in my book. Including the Royal connection at Breamar, the mysterious Urquhart on the banks of Loch Ness, Scone Palace, and the Stone of Destiny, to name but four.

Whether you are planning on a visit to Scotland or just have an interest in Scottish history then you should enjoy *Castles in Scotland - a Travellers' Guide Volume II*.

Here Are Just Some of the Scottish Castles You Will Hear About Inside...
