

Cats in the Cradle

author: Josh Haldeman

2026-08

Synopsis

authoriř	Josh Haldeman
inLanguageiř	english

Father & Son duo get together to discuss the hilarious things that happen in their day to day life. This podcast will help you experience a wide range of emotions, but humor and laughter will definitely win the day! You'll be able to see life through a talkative teenager and laugh with a modern day Homer Simpson. Kind of like TV show Seinfeld - this podcast is about nothing - but the stories and camaraderie make you glad you spent the time listening.
