A Standalone Contemporary Romance from the NYT best-selling author of the Fixed Trilogy.

I'm good in a boardroom, but I'm better in the bedroom. Much better. I can charm the skirt off any woman in one encounter. I'll even give her an orgasm before I put her in a cab. Or three. No more or she'll start making plans for the future and I'm not into that. Or I wasn't until Genevive Fasbender. She's the first woman in five years that I want to spend the whole night with. And she's the first woman who's told me I'm not what she wants in a lover, even after multiple O's. She's brash and bold and stubborn as hell, and she doesn't believe it's possible to satisfy her. But I'm up for the challenge. And after an incident in my brother's office closet - a downright dirty incident - I think I'm just the guy to deliver.
