Falling for the professor wasn't part of the plan...</p><p>From the moment the man walked into the bar, I knew he was still in the closet. But that didn't stop us from sharing an incredible night together.</p><p>Our easy, one-night hookup went from no-strings-attached to a tangled mess on the first day of the semester, when I locked eyes with the mystery man from the bar...who also happens to be my new art history professor.</p><p>Lucas Mathiasson is everywhere I turn, and the harder we try to resist, the closer we're pulled together. Until our weekend in Vegas. Then all bets - and rules - are off.</p><p>But lessons in love can't be taught from a syllabus. They have to be experienced. And not all love is easy. Not all rules are meant to be broken. And not all men are created to live life in the open.</p><p>Falling for my professor wasn't part of the plan...but how do you let go of the man who taught you how to love?</p><p>Contains mature themes.</p>
