From a secret duo of USA Today best-selling authors comes an enemies-to-lovers, sexy, rom-com standalone in the Modern Love Series.

Who knew sleeping with the enemy could be this much fun? Was the one night stand a good idea? Well, no. Probably not, in retrospect. In my defense, I had just moved back into my grandparent's house. I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped "LOSER" on my forehead. So, when the guy behind the bar started giving me the look...you know, the one that promised I'd be screaming his name, into the wee hours of the morning? When that guy also has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack - when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse, and ride it! Pun fully and completely intended. And accurate, by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out who the bartender was, I was already falling for him.

Note: This book was previously titled *The Bartender*. Same great story, and with a fresh new look.
