WARRIORS VS. THE WORLD - WINNER TAKE NOTHING. </p> <p>Led by Blade, they were a handful of men and women who fought to keep post-nuclear-war America from plunging into total darkness. The odds were against them, but in a land ruled by chaos, a little action went a long way...</p> <p>100 years after the nuclear Holocaust. What used to be called America. Following World War III, these power-mad fiends over-took Chicago & enslaved its people. In order to squash a resistance movement that menaced their tyrannous rule, their leader devised a final solution to obliterate the rebels.</p>
