This audiobook helps you to identify and clear astral and etheric fragments, entities, demons, and jinn. You are a divine being and don't need to put up with energies, emotions, and pains created by these entities. Learn what causes entities, how underworld entities cultivate, harvest, and feed off of humans, how different densities and frequencies of reality operate, and how the entity paradigm was known across all ancient cultures. Find out the connection between entities and concepts such as sex magick, mkultra, and occult ritual abuse. Finally, discover how to stay immune to entity influence for life.
