Clutch – verb: to grasp and hold tightly; to seize; snatch.

What have I done?

Once she realizes it’s Silas Palmer, it’ll be fake adoration then betrayal. Fame and fortune aren’t known for true friendship, trust, and happiness. Yet, Pansy proves me wrong.

My celebrity status doesn’t interest her.

This woman is a hurricane—real, wild, and intense!

and I can’t help but want to be in the eye of the storm.

Pansy makes it clear her plans don’t include a retired rockstar. In fact, it’s a reminder of all her screw ups.

But if it’s a mistake, I’ll show her the best damn one she’s ever made.

An angsty, slow-burn grumpy/sunshine romance from USA TODAY bestselling and award-winning author S.M. West.
