

Come and See

author: James C. Vogelzang, Elisa Fryling Stanford

2026-07

Synopsis

author	James C. Vogelzang, Elisa Fryling Stanford
readBy	Jodie Bentley
inLanguage	english

Come and See offers an invitation for women to consider a surprising solution to their life's emotional vertigo. A solution that is challenging, nurturing and perhaps, a little unsettling. A cure that reinforces a woman's value, worth and significance, while at the same time, demanding no achievement, striving, or performance hurdles. Forgiveness and Grace exist and are available.

The book explores:

- Taking charge of the regrets from your past
- Healing from emotional and spiritual disillusionment
- The power of grace and forgiveness for yourself and others

Come and See proposes an authentic, attainable answer to reclaiming life's balance and being seen perhaps for the first time.
