He betrayed them all. Is he truly back to make amends?

Wendy Markham. Gentle. Compassionate. Loyal. Stepmother to five headstrong children, longtime partner of the cantankerous ex-president of the Black Shamrocks MC, and the woman everyone turns to in a crisis.

Patrick "Beast" O'Brien. Brutal. Merciless. Duplicitous. A father in name only, traitor to his own club, and a man living on borrowed time. He's broken all of the rules, hurt the one's closest to him, and then run away like a coward. She's been left behind to clean up his mess. Pouring every ounce of energy into their abandoned children, the last thing Wendy needs is for her own health to fail. Facing the battle of a lifetime and determined to protect everyone from the fallout, she forges ahead alone. In the meantime, Beast's found that putting your ego above your family makes for a lonely life. When he discovers Wendy's secret, will he learn the true value of what he threw away and find the capacity to commence *Conquering Circumstances*?
