

zy Witch Mysteries: Special Edition Box Set of 8 Books

author: Angela Pepper

2026-06

Synopsis

author	Angela Pepper
readBy	Tiffany Williams, Rosemary Benson
inLanguage	english

A small town with big secrets. A neighbor who bites. Plus a house with a mind of its own. Welcome to Wisteria.

If you love binge-worthy mysteries with gripping twists, enchanting characters, and a big dose of humor, you'll treasure this popular series.

Included in this boxed set are eight full-length, unabridged audiobooks:

- Wisteria Witches*: Zara Riddle moves to a small town to raise her teen daughter in a quiet place. But it turns out their family tree is riddled with magic.
- Wicked Wisteria*: When someone erases the words from the town's books, Zara conjures a magical creature to restore the text. But magic has a mind of its own.
- Wisteria Wonders*: Zara's moody shifter neighbor runs hot and cold like a broken faucet. What's his deal, anyway?
- Watchful Wisteria*: Zara rescues an injured animal from the woods and gets a lot more than a new pet.
- Wisteria Wyverns*: A trip up the coast to Castle Wyvern brings Zara face-to-face with the last person she ever expected to see.
- Wolves of Wisteria*: Secrets revealed are trouble unsealed.
- Wisteria Wrinkle*: Aunt Zinnia and her best friend discover the origin of several town secrets.
- Wardens of Wisteria*: The Riddle family aren't the only witches in town. Zara finally joins the local coven.

Ingredients: witches, vampires, psychic house pets, time travel, secret underground organizations, parallel dimensions, magic elevators, powerful amulets, ghosts, haunted houses, ancient goddesses, computer hackers, gorgons, weird neighbors, flirty detectives, family secrets, shocking twists, surprise relatives, workplace comedy, strange new powers, prophecies, genies, and more!

Language and content rating: mild, minimal language, and some serious themes like murder investigations.
