

Criminalization of Prescriptions

author: Charles Flash

2026-07

Synopsis

author	Charles Flash
readBy	Ronald Yates
inLanguage	english

Practitioners will discover DEA standards for issuing opioid painkillers and other Scheduled CII-V drugs. Guidelines have failed to level with prescribers about these standards, and prescribing by guidelines have been responsible for many practitioners breaking the law. Therefore, the only method of survival for avoiding prosecution is the knowledge of these standards.
