"There's always room for one more lie..."

Reeling from family betrayal and tragedy, Gabe McKenna charts a new course as historical consultant on a motion picture filming in New Mexico. Before you can say "action!", he finds himself entangled in a web of illusion and deceit, where death plays the starring role. With the help of The Onion, a private investigator and longtime friend from New York, Gabe peels away layer after layer of dishonesty, battles brutal drug cartels, is accused of murder, and must unmask a mysterious, seductive woman to uncover the truth in a world full of lies.
