My father is a mob boss. I desperately need to escape him.

And Damien is the man who can help me start a new life.

He's a former SEAL, and I'm a nurse.

On the surface, our lives are completely different.

Except that he's also involved with the mob.

Damien is a man of his word.

He'll quit this life to be with me.

My soul belongs to him.

So does my future.

With my life in danger, he has a decision to make.

Start afresh... or lose me forever.

What is he going to do?
