## Synopsis

---

author	James Davis,	James Aldridge
readBy	Nate Marble	
inLanguage	english	

Clay Mitchel, a truck driver is caught on the road when the EMP blast hits. A few hundred miles stand between him and his family, and now, he's on foot. Clay and his pup Sarge set out to get to his wife and daughter by any means necessary. An ex-Marine and witness to similar events, he knows just how fast things can go south. Along the way, Clay and Sarge are faced with obstacles and tough decisions. Eventually thrust in the middle of the fight of his life, he struggles to keep his humanity, while protecting his family from harm and fulfilling his duty to his country.

*Dark Days: The Collapse* is a post-apocalyptic thriller, set in modern-day America. Follow Clay and his family in their fight to survive a lawless country as it descends into chaos. Action-packed, humorous, and full of twists and turns.

***Dark Days: The Collapse*** is the first in a three-book series, sure to make you laugh, cry, and stay on the edge of your seat.
