**The Lightbringer:** Theodora Morgan knows she's a little strange. Her talent for healing has marked her as different all through a life spent moving from town to town when someone notices her strangeness. Now, she has a home, and she doesn't want to leave, but she's been found. The Crusade wants her dead because she's psychic; the Dark wants to feed on her talent; and then, there's Dante. Tall and grim and armed with black-bladed knives, guns, and a sword, he says he's here to protect her. But what if he's what Theo needs protection from most?

**The Watcher:** Dante is a Watcher, sworn by Circle Lightfall to protect the Lightbringers. His next assignment? Watch over Theo. She doesn't know she's a Lightbringer; she doesn't know she's surrounded by enemies; and she doesn't know she's been marked for death by a bunch of fanatics. He can't protect her if she doesn't trust him, but how can she possibly trust a man scarred by murder and warfare - a man who smells like the same Darkness Theo has been running from all her life?

**Bounced around the world as a military brat, Lilith Saintcrow fell in love with writing in second grade and never looked back. She currently resides in Vancouver, Washington, with two children, a menagerie, and books. Find her on the web at [lilithsaintcrow.com](http://lilithsaintcrow.com).**
