

Daydreams Alongside Surf

author: Jim Ross

2026-07

Synopsis

author	Jim Ross
readBy	Terry Bamberger
inLanguage	english

Daydreams Alongside Surf: Cinquain Magic, brings us short poetry in the cinquain and butterfly cinquain form. Whether sitting alongside a souging sea, or by a crackling fire in a winter snow storm; whether enjoying a spring moment in the morning sun on the deck, or sensing autumn and falling leaves from an urban balcony, cinquain brings us such magic. Jim Ross has given us the magic before, in his books, *Scattered Reflections* and *A Plea to a Wine Cork*. He now works his wizardry in this powerful, popular form.

Reader's comments

comment 1: Emily Carter

Daydreams Alongside Surf by Jim Ross is a mesmerising journey through the ebb and flow of human emotions, beautifully juxtaposed with the rhythmic pulse of the ocean. Ross masterfully intertwines the serenity of the seaside with the complexity of his characters' inner lives, creating a vivid tapestry that captivates the reader from the first page. The narrative is a delicate dance between reality and dreams, exploring themes of love, loss, and self-discovery. One of the novel's greatest strengths lies in its evocative descriptions; the sights, sounds, and smells of the ocean are so vividly portrayed that you can almost feel the salt on your skin. Ross's prose is both lyrical and precise, capturing the essence of each moment with clarity and depth. The characters are well-developed, each grappling with their own personal tides, yet all bound by the universal search for meaning and connection. Daydreams Alongside Surf is not just a story, but an experience—a contemplative escape that invites readers to lose themselves in its pages and find their own reflections in its waters. For those seeking a novel that is both thought-provoking and soothing, this is a must-read.
