*Days of Death and Darkness* is Mark E. Fisher's fourth entry in his bestselling Days of the Apocalypse series of Christian end-times thrillers. As the squaddies close in, will Caleb and Tanya make the dangerous, cross-country journey to the Sanctuary? Can Chelsea leave Palma de Mallorca and reunite with her brother Dylan in Switzerland? Will Dylan ever reach Bettino at his family's villa in Tuscany and find out what happened to Chelsea? Will Baruch complete his mission of bringing Jews and Christians safely to the Refuge, far from the Antichrist's grasp? Can Ariel Geller continue his black-market operation, and will he ever accept Christ and save himself from the wrath to come? How will Grady fare in New Babylon as the next trumpet and bowl judgments fall upon the earth? Mark's fourth novel in this gripping end-times series takes our characters through the fifth and sixth years of God's wrath on an unrepentant, sinful world. Who will survive, and who will endure? \* \* \* \* The biblical signs are being fulfilled daily. Authoritarian governments everywhere are cowering their citizens. Lawlessness and disorder are tearing society apart. The world turns not to God but to immorality. Churches everywhere abandon the Bible and preach apostasy. And to complete the signs—famines and earthquakes in various places. It's all preparing the world for the coming of the Antichrist and the seven years of Tribulation. Heeding the signs of the times, Mark E. Fisher continues Days of the Apocalypse, his bestselling series of Christian end-times novels, with book #4, *Days of Death and Darkness*. All books in the series adhere to a Christian worldview and closely follow the biblical end-times events.
