Synopsis

author	Justin Hunter
readBy	Mark Dakota
inLanguage	english

Tim is 15. His mother died in a car accident. He's sent to live with his recluse uncle who has spent the last five years setting death traps all over his farm. Tim and his uncle have more in common than they know. As they learn to cope with the past and present, they find reasons to live, but how long will it last with a property set to kill them both?
