

Desired by the Bear King

author: R.P. James

2026-08

Synopsis

author	R.P. James
readBy	D Rampling
inLanguage	english

Things are about to get hairy between myself and the Alpha Bear King....

Up to this point, I despised camping. Despised it with a passion! And yet, my manipulative jerk of a boyfriend Ezra, is taking me on a camping trip, after entering my name to win an all-expense paid vacation.

I am not happy.

Ezra has always been unreasonable in his treatment toward me. I'm a curvier girl, and he uses my insecurity as leverage in order to get what he wants out of the relationship.

I sneak out of the tent during the first night of the trip to get away from him, when suddenly I find myself cornered by four snarling, raging grizzly bears.

Little do I know that my soon-to-be rescuer and I are about to have a rather steamy encounter in the middle of the woods....

Desired by the Bear King by R.P. James is a captivating blend of romance and fantasy that transports readers into a world where mythical creatures and passionate emotions intertwine. The book explores the compelling dynamics between its protagonists with a narrative that is as enchanting as it is suspenseful. The author skillfully creates an immersive atmosphere, allowing readers to empathize deeply with the characters' struggles and desires. The Bear King himself is a fascinating character, exuding both power and vulnerability, which makes his relationship with the heroine particularly engaging. The plot is well-paced, ensuring that readers remain invested in the unfolding drama without feeling overwhelmed. James's descriptive language paints vivid pictures of the mystical landscapes and the intense interactions between characters, making it easy to visualize the story's enchanting world. The book is a delightful escape for those who enjoy a mix of romance and fantasy, offering a perfect balance of tension and tenderness. Overall, Desired by the Bear King is a must-read for fans of the genre, providing a thrilling and heartwarming journey that lingers long after the final page is turned.
