He wants to make her his. She wants to destroy him and avenge her brother's death...

Nothing is ever fair in love and war, especially when the woman of your dreams is the same one seeking to destroy you. If he plays his cards right, Hollywood (Jayce Morris) is hoping to become a newly patched member of the Gold Vipers, a notorious biker club located in the Midwest. Life is good and he's never been happier, until he becomes the target of an assassin. A woman who isn't just psychotic, but the most beautiful creature he's ever laid eyes on.

Growing up in foster care, Ava Rhodes learned how to survive unspeakable abuse at the hands of the very same people paid to protect her. Whenever things turned ugly, she went to that special place in her mind, where childhood memories kept her sane. The faint but cherished ones of her older brother, Andrew, the guy who used to sing her lullabies and make early morning pancakes. Years pass and memories fade, but not completely, and when Ava finally gets her shit together, she decides to search for her long-lost brother. When she learns he's been murdered by the Gold Vipers, she sets out to destroy everyone involved, including Hollywood, one of the last to see Andrew alive.
