<p>As a professional race car driver, Lissa Walker is used to dealing with all sorts of threats. But when a dognapper starts targeting her hometown, she'll do anything to protect her corgi Bella--refusing to take chances. Even if that means hiring Damien Trent, an arrogant, too-smart-for-his-own-good know-it-all. Who also happens to be the one who broke her heart so many years ago.</p> <p>Damien isn't too thrilled about taking a job that would require him to work in close quarters with Lissa, let alone one that would require him to be a doggy bodyguard. Unfortunately, for the sake of his company's reputation, he has no choice but to stick it out.</p> <p>The history between the two provides much more friction than any race track ever could, but they'll have to put their past differences aside to keep little Bella safe. Everything else--including the new feelings surging between them--will just have to wait. Can they take it slow and steady when both are so tempted to zoom full-speed ahead?</p> <p>Each Celebrity Corgi Romance stands alone, but they're definitely more fun if you read the whole series together. Get your copy of <i>Digging the Driver</i> and book your romantic escape today!</p>
