

Disordered Minds

author: Paul S. Huggins

2026-07

Synopsis

author	Paul S. Huggins
readBy	David Ayers
inLanguage	english

The blurred lines between reality, imagination and the ethereal can be very fine. These six short stories test the limits. A disturbing letter, an extreme phobia, a calculating psychopath, a woodland hunt, a lonely hotel, and a search for family all feature in this dark compilation.
