

Doctor Who and the Abominable Snowmen

author: Terrance Dicks

2026-07

Synopsis

authori¼š	Terrance Dicks
readByi¼š	David Troughton
inLanguagei¼š	english

A single blow from the giant, hairy paw smashes the explorer to the ground. Terrified, he flees from the monster's glowing eyes and savage fangs...<p> Why are the peaceful Yeti now spreading death and destruction? And what is the secret behind the glowing cave on the mountain? When Doctor Who discovers that a long-dead friend is still alive, he knows why his visit to the lonely Himalayan monastery has led to a struggle to save the Earth!</p><p> David Troughton reads Terrance Dicks' complete and unabridged novelisation, first published by Target Books in 1974.</p>
