Nine exclusive adventures featuring a multitude of Doctors and companions.

The collection opens with a trilogy of stories set in the First World War—*Men of War*, *Horrors of War* and *Fortunes of War*—in which the First, Third and Sixth Doctors are pitted against a rogue element in time. In *The Thing from the Sea*, the Fourth Doctor and Mrs Wibbsey meet an alien serpent in 18th-century Italy, and in *The Elysian Blade*, the Second Doctor, Jamie and Victoria find trouble on a distant Earth colony. In *The Flight of the Sun God*, the Sixth Doctor and Peri join a spaceship of company executives on a one-way trip, whilst *The Scent of Blood* brings the Eighth Doctor to Victorian Edinburgh in search of vampires. The Eleventh Doctor and Clara discover *Paradise Lost* on the distant edge of a nebula, and the Fourth Doctor returns to Earth—and Mrs Wibbsey—to face the menace of *The Winged Coven*.

Peter Purves, Katy Manning, Colin Baker, Susan Jameson, Frazer Hines, Nicola Bryant, Dan Starkey and Jacob Dudman are the readers of these thrilling stories written by Justin Richards, Paul Magrs, David Bishop, Nev Fountain, Andrew Lane and Darren Jones.
