

Doctor Who: The Last Dodo

author: Jacqueline Rayner

2026-07

Synopsis

authori¼š	Jacqueline Rayner
readByi¼š	Freema Agyeman
inLanguagei¼š	english

Civilisations rise and fall, time moves on, and species die out. Extinction is a fact of life in the universe. But extinction doesn't have to be forever. The *TARDIS* arrives in the Museum of the Last Ones: a facility dedicated to preserving the final specimens of every species in the universe. But all is not well, and before long the Doctor and Martha are in deep trouble.
