Imagine Tom's surprise when his ex-wife turns up on his doorstep with a suitcase. Heather is still gorgeous but 15 years older than her replacement, Hailey, so she'd bound to be a little jealous. Her attempt to seduce her ex-husband's new wife is turned on its head when Hailey introduces her to the dogging field. Suddenly all bets are off and the bossy older woman experiences love-making out of her control for the first time.
