In *Dominance and Submission*: A sports car. A dominant man. The lure of forbidden pleasures.

Klara Fintz suspects the purchase of a sports car is Ron's first symptom of insanity. Then when he admits to having fantasies about watching her with another man, she's sure he's lost his mind. Then he meets a Dom extraordinaire who insists on a first-class tour of forbidden pleasures.

In *A Domme Can*: Elsa has everything that she thought she wanted. Great grades in college, awesome friends who support her every step of the way, an apartment all of her own - oh, and a thriving dominatrix business that has dozens of men across campus crawling to her to indulge their deepest and darkest desires. But something about getting everything she wants, even from legions of willing submissive men, has started to grate on her. She wants something new and different, she craves a challenge.

In *Undercover Domme* Lia's star in the department is rising. She's made a name for herself as one of the best up and coming detectives in the precinct. She's had no problem being undercover before, but is shocked when her next assignment requires her to impersonate a profession dominatrix to ferret out a some of the most complex and devious crimes the precinct has ever encountered. Lia is initially repulsed by the thought of sexually dominating men and can not imagine any real man ever desiring such a thing. This begins to change for her as she interacts with Theo Tracy, a white collar businessman who has the keys to unraveling a criminal empire. Her mark quickly becomes her best customer and, much to her chagrin, the only man she can imagine being with.

In *The Case of the Slandered Supermodel*: Gwen Turisso's modeling career has continues to reach peak after new peak. Her fame is only increased by her improbably wholesome image. Her bubbly yet sheltered public persona has always been one of her selling points. This is all threatened when a mysterious sex-tape is released that seems to show her participating in BDSM and submitting

to some mysterious Dominant man.

On her agent's advice she goes into hiding and hires a private investigator, the enigmatic Zack Anson, to help her find the people responsible. Her time with Zack reveals more than just sexual slander. He understands what is happening in the video because he's a Dom himself who'll stop at nothing to help Gwen find the culprits and find her own hidden, submissive desires.

Zack takes Gwen on a globe-straddling and relationship defining journey to restore her name and free her from her own repression. He knows the key to Gwen's submissive heart is to show her how much she needs him there to guide and care for her, and he's determined to prove to Gwen that he's the one man worthy of her submission and trust.
