The Widow never rests. She takes the ship *Dominion-427* across the galaxy to chase down her ex-husband and his friends. Athanasia and Glaxu duel on far-flung planets, and double-cross one another again and again, until someone dies. And Valentinian keeps running. *Dominion-427* - the fourth novel in the Shadow of the Dominion series - puts friends in danger while continuing to explore this fascinating new galaxy of characters! Be sure to listen to all the books in the series, starting with *Longshot Hypothesis*.
