Donâ€™t Tell a Soul is best-selling author Tiffany L. Warrenâ€™s sequel to her fan-favorite novel *What a Sista Should Do*. Here, a trio of faithful friends face trials in their personal lives. When Pamâ€™s husband, Troy, blows their fortune, his partner starts making moves on Pam. Meanwhile, Taylor must decide whether to forgive her ex, Luke, for the sake of their son. And newly divorced Yvonne finds reprieve from her loneliness by befriending a new church member. But only time will tell if the women can keep their faith and friendship intact.
